Natural Resources Management

Articles

Forest Conservation in the Philippines: A Cost Effective Approach to Mitigating Climate Change?

Sheeran, K. 2006. Forest Conservation in the Philippines: A Cost Effective Approach to Mitigating Climate Change? Ecological Economics 58(2).

Participatory socioeconomic analysis: drawing on fishermen's knowledge for marine protected area planning in California

Scholz, A. J., K. Bonzon, R. Fujita, N. Benjamin, N. Woodling, P. Black and C. Steinback. 2004. Participatory socioeconomic analysis: drawing on fishermen's knowledge for marine protected area planning in California. Marine Policy 28(4).

Natural Resources Management

Books & Book Chapters

Old data, new tricks: Spatially integrating heterogeneous datasets for fishery management

Scholz, A. J., M. Mertens, D. Sohm, C. Steinback, and M. Bellman. 2005. Old data, new tricks: Spatially integrating heterogeneous datasets for fishery management. Chapter in G. H. Kruse, V. F. Gallucci, D. E. Hay, R. I. Perry, R. M. Peterman, T. C. Shirley, P. D. Spencer, B. Wilson, and D. Woodby, editors, Fisheries Assessment and Management in Data-limited Situations. Alaska Sea Grant College Program. University of Alaska, Fairbanks.

Place Matters – Geospatial Tools for Marine Conservation, Science, and Management in the Pacific Northwest

Wright, D. and A. J. Scholz, editors. 2005. Place Matters – Geospatial Tools for Marine Conservation, Science, and Management in the Pacific Northwest. Oregon State University Press, Corvallis.

Conservation and Management Implications of Deep-Sea Coral Distributions and Fishing Effort in the Northeast Pacific Ocean

Morgan, L. E., P. Etnoyer, A. J. Scholz, M. Mertens, and M. Powell. 2005. Conservation and Management Implications of Deep-Sea Coral Distributions and Fishing Effort in the Northeast Pacific Ocean. Chapter in A. Freiwald and J. M. Roberts, editors, Deep-water Corals and Ecosystems. Springer, New York.

The long arm of the invisible hand – science and scientists as merchants of biological

diversity and global environmental governance

Scholz, A. J. 2004. The long arm of the invisible hand – science and scientists as merchants of biological diversity and global environmental governance. Chapter in M. Long-Martello and S. Jasanoff, *Earthly Politics: Local and Global in Environmental Governance*. MIT Press, Cambridge.

From molecules to medicines – The use of genetic resources in pharmaceutical research

Scholz, A. J. 2003. From molecules to medicines – The use of genetic resources in pharmaceutical research. Chapter in R. Schurman and Denny Kelso, editors, *Engineering Trouble: Genetic Engineering and its Discontents*. University of California Press, Berkeley.

Natural Resources Management

Miscellaneous Formats

Commercial Fishing Grounds Off the Coast of Central California

Scholz, A. J., C. Steinback, and M. Mertens. April, 2006. Commercial Fishing Grounds Off the Coast of Central California. Report to the California Marine Life Protection Act Initiative, Contract No. 2005-0067M.

Place matters: Spatial tools for assessing the socioeconomic implications of marine resource management measures on the Pacific Coast of the United States

Scholz, A. J., M. Mertens, D. Sohm, C. Steinback, and M. Bellman. 2005. Place matters: Spatial tools for assessing the socioeconomic implications of marine resource management measures on the Pacific Coast of the United States. Chapter in P. W. Barnes and J. Thomas, editors, *Benthic Habitats and the Effects of Fishing*. American Fisheries Society Symposium Proceedings No. 41. American Fisheries Society, Bethesda, MD.

Socioeconomic Profile of Fishing Activities and Communities Associated with the Gulf of the Farallones and Cordell Bank National Marine Sanctuaries

Scholz, A. J. and C. Steinback, with S. Klain, A. Boone. 2005. Socioeconomic Profile of Fishing Activities and Communities Associated with the Gulf of the Farallones and Cordell Bank National Marine Sanctuaries. Portland, OR.

Conservation, Communities and the Privatization of B.C. Fisheries

Scholz, A. J., E. E. Tamm, C. Steinback, D. Edwards, and A. Day. 2004. Catch-22: Conservation, Communities and the Privatization of B.C. Fisheries. Final report analyzing trends and impacts of individual quota programs in British Columbia.

Final report and technical documentation of the Groundfish Fleet Restructuring Information and Analysis Project

<http://www.ecotrust.org/gfr>

Scholz, A. J. 2003. Final report and technical documentation of the Groundfish Fleet Restructuring Information and Analysis Project. Ecotrust/Pacific Marine Conservation Council. Portland, OR.

Spatially integrated tools for assessing the socioeconomic impact dimensions of marine resource management on the West Coast of the United States

Scholz, A. J., M. Mertens, D. Sohm, C. Steinback, and M. Bellman. 2002. Spatially integrated tools for assessing the socioeconomic impact dimensions of marine resource management on the West Coast of the United States. Symposium Proceedings. Fourth Mote International Symposium, Confronting Tradeoffs in the Ecosystem Approach to Fisheries Management. *Bulletin of Marine Science*, Sarasota, FL.

Supplementary Report: Social and Economic Implications of a Channel Islands Marine Reserve Network

Scholz, A. J. and R. Fujita. 2001. Supplementary Report: Social and Economic Implications of a Channel Islands Marine Reserve Network. Environmental Defense.
